

## LEARN MORE ABOUT BRIGAIID

Visit us at [www.brigaid.eu](http://www.brigaid.eu) or take a look at our project presentation videos:

- ▶ Introduction to brigaid.
- ▶ Improving technical, social and market readiness.
- ▶ How does brigaid support innovators?
- ▶ What can brigaid do for End-users?

## MEET OUR INNOVATIONS

Visit the brigaid's **Climate Innovation Window**.

Here you can take a look at all the innovations currently supported by BRIGAIID and tell us which ones you would particularly like to be presented / demonstrated in the conference (send us an email to: [brigaidconference@icatalist.eu](mailto:brigaidconference@icatalist.eu)).

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 700699.

BRIDGING THE GAP FOR INNOVATIONS  
IN DISASTER RESILIENCE

# BRIGAIID CONFERENCE IN VENICE

End-users involvement in disaster  
resilience innovation.

November 9th - 10th 2017

# CONFERENCE PROGRAM DRAFT

## 9th November 2017

| WHEN? | WHAT?   | SPEAKERS  |
|-------|---|---|
| 14.00 | Conference registration and coffee.   |   |
| 14.15 | Welcome and opening   | Werther Montanari – THETIS SpA (C.E.O.).                  |
| 14.20 | BRIGAIID presentation   | Bas Jonkman – TU Delft (BRIGAIID Scientific Coordinator). |
| 14.35 | Program overview  | Roelof Moll – TU Delft (BRIGAIID Project Coordinator).    |
| 14.45 | <b>Innovations presentations.</b> A sample of 5 innovations supported by BRIGAIID will be selected for their presentation in the conference. These innovations will be representative of the main group of hazards addressed by BRIGAIID, i.e. floods, droughts and extreme weather. Also, the selected innovations shall deal with end-users problems in different ways, e.g. new solutions, improvements over existing products, integrative approaches, etc. |   |
| 16.00 | Coffee break.   |   |
| 16.15 | <b>End-users presentations.</b> A number of end-users across Europe shall present how they are coping with adaptation to increasing natural disasters. These presentations will showcase some specific case studies as example of how end-users are a key actor in bringing new products, new processes and new forms of organization into adaptation solutions to climatic events.   |   |
| 17.30 | Open discussion and matchmaking.  |   |
| 18.00 | <b>Innovation market:</b> Pitch point presentations / Demonstration of innovations / Exposition area / Poster area.   |   |
| 19.00 | Gala dinner.  |   |

## 10th November 2017

| WHEN? | WHAT?   | SPEAKERS  |
|-------|---|---|
| 8.30  | Meeting and coffee.   |   |
| 8.45  | Introductory presentation about the MOSE storm surge protection system.                     | Consorzio Venezia Nuova.                                  |
| 9.30  | Boarding.   |   |
| 10.00 | Arrival at Lido inlet and visit to the MOSE system.   | Consorzio Venezia Nuova / Provveditorato I.O.P.           |
| 11.00 | Boarding – back to Arsenale.  |   |
| 11.30 | Plenary meeting: reflections on the first conference day and recommendations to move ahead. |   |
| 12.30 | Closure of the conference   | Bas Jonkman – TU Delft (BRIGAIID Scientific Coordinator). |
| 12.45 | Lunch - Farewell.   |   |

**Location: Conference room in "Modelli" building at Thetis headquarters.**

Thetis' headquarters are located within the Arsenale, in the eastern part of the historic center of Venice.
